

# THE MEANING OF OUR AUSTRALIAN FLAG

## OUR CHRISTIAN HERITAGE

By

Rev. Dr. Jeffry David Camm JP

# THE COMPOSITION OF OUR FLAG

- The flag is made up of several pieces – but most of us have no idea of their spiritual significance.

## The Ancient Hebrew Flag – The throne of King David

This was the flag of England, from the time of the Romans right up until 1601 and used by the Crusaders as they went to claim back Jerusalem from the Muslim invasion

The Flags of Scotland and Wales are added  
in 1606

This is the same year that Capt. Janzoon in the Dufkyen, mapped 300 miles of the Queensland coastline and Capt. Ferdinand De Quiros claimed this southern region for Jesus Christ, as the Southland of the Holy Spirit.

The flag of Ireland is  
added in 1801

# The Australian Flag at Federation

- The stars on the Australian flag represent the Southern Cross – our geographic location and Federation.
- 5 of the 6 stars have 7 sides. Scripturally, the number 7 means perfection.

# The Colours

- The three colours of “Red”, “White” and “Blue” were used in the tabernacle for the curtains, according to God’s specifications.
- The “white” linen represents the white robes of righteousness, given by the Lord to His people.
- “Red” signifies the blood covenant fulfilled by Jesus Christ.
- “Blue” is the national colour of (Ancient) Israel, and of God’s right to rule over mankind.
- More information: read Numbers 15:36-41.

# God's Signature

- The Lord said: ***“I AM the Alpha and the Omega, the first and the last.”***
- These are the first and the last letters in the Greek alphabet.
- In the Ancient Hebrew, the first letter of the alphabet was Aleph [x] and the last letter was Tau [+]
- When placed upon each other, you have the Union Jack.
- The three crosses also signify the three covenants of Abraham, Moses and Christ, that God made with Israel.

# The Genius of God

- What a wonderful fulfilment that a flag consisting of the symbols of an invisible hand would be displayed in these latter days, before His return, as a reminder of His covenant with His people.
- Whether or not the people embrace Him or reject Him, our heritage is God-given and our flag is the history of God's plan for us.
- To reject our flag and the Union Jack is nothing more than the rejection of God's name. It reflects our state of heart.
- To replace it with pagan symbols (trees, kangaroos, etc) is rebellion against God Himself.
- To turn our backs on our God-given heritage is inviting fatal consequences.
- It is an honour to have these divine symbols on our flag. How thankful our chosen nation should be.
- We should never allow these symbols of God's protection to be removed from our national flag.
